Boar's Head Members Overwhelmingly Approve New 4-Year Contract -

Local 342 members, at the Boar's Head facility in Brooklyn, approved a new four-year contract today. This came after several weeks of tough bargaining with Boar's Head management. Several issues were critical: maintaining health care coverage with no contribution from the members, changing an unfair disciplinary system that Boar's Head was using to force people to work overtime, and of course the new wage increases. ([Read More](#))

Corona Members Vote "YES" For New Contract -

On Wednesday May 16th, Corona members voted unanimously in favor of the new contract.

The ratification vote was held at all four Corona Meat Corporation locations. There was not one single negative vote opposing the new contract, which goes to show the unity of the Union members.

Who We Are

Your Neighborhood Union

We work in front of customers and behind the scenes. Look for us stocking produce in a supermarket aisle, slicing a cut of beef before it is delivered to a grocery store, taking a child's temperature in a hospital, making the blue jeans your children wear to school or selling those jeans in a local department store. We are North America's Neighborhood Union—1.3 million members standing together to improve the lives and livelihoods of workers, families, and communities.

Where We Work

Supermarkets

If you live in Hawaii, Florida, Fairbanks, AK, Prince Edward Island, or virtually any point in between, it is likely that you will buy food in a retail food store where we work...

Packinghouses

More than 100,000 of us work in meatpacking and meat processing plants across the great plains and in the South...

Food Processing Plants

The UFCW's food processing members make everything from pet food to ketchup to frozen dinners...

Poultry Processing Plants

If you've ever tried to catch a chicken, you know how difficult a job in a poultry plant can be...

Retail Stores

Nearly 80,000 of us work in retail stores. We work as salespersons, both salaried and commissioned, for companies that run the gamut from daily needs and essentials to those that cater to more upscale and urban tastes...

Manufacturing

The UFCW's manufacturing workers make everything from fertilizer to shoes. We number over 60,000 strong with 25,000 workers in chemical production and 20,000 who work in garment and textile industries...

Other Industries

We work in all kinds of stores and factories and service establishments. Some 35,000 of us work in chain and independent drug stores throughout North America...
